Class History

There have been six great events in the history of this world. The first was the appearance of Adam and Eve. The second was the rise of King Tut. The third was the death of Julius Caesar. The fourth was the Atlantic by Columbus. The fifth was the reign of Jack Dempsey. And the sixth was the entrance of the Class of 1953 into Leo High School.

Of these the first five were of minor importance. Adam and Eve, I believe, are now dead. King Tut is in a museum. Julius has been eclipsed by Mussolini. Columbus has moved to Ohio. And Jack Dempsey is just a faded cauliflower. But the class of 1953, not only IS history, but is still making history.

In the fall of 1949, we entered Leo High School as "Green Freshies." Including the nine students who came from St. Joe Central School, we had a total enrollment of 51. Mrs. Virginia West was named as our sponsor. Officers elected during the year were: Jerry Emrick, President; Sandra Young, Vice-President; Gus Steiner, Secretary; and Lloyd Hall, Treasurer. Since we were considered "underclassmen," our activities were very few. We enjoyed class parties at Grabill Park and at Quentin Savage's home.

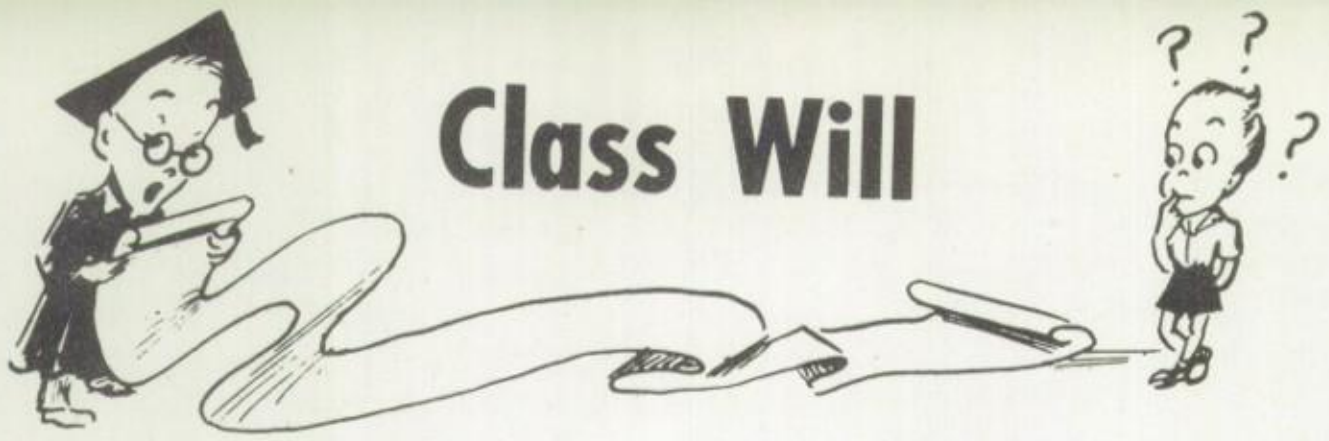
Entering the Sophomore year, we gained three new students; Barbara Smith, Don Leichty, and Mary Weber. We also lost ten: Layne Freimuth, Rose Graber, John Kryder, Mima Martin, Joseph Schwartz, Floyd Steinbacher, Sandra Young, Kenneth Pettit, Jacqueline Brinkman, and Reuben Liechty, making a total of 44. Officers for our sophomore year were: Robert Schultz, President; Lois Trimble, Vice-President; Ann Amstutz, Secretary; and Lloyd Hall, Treasurer. This year our parties were held at Cedarville Park and Melba Schlatter's home.

When we entered as Juniors, we had lost Everett Beck, Joan Gongaware, Jerry Pulver, Rose Ann Schuster, and Carolyn Shannon. During the year Ann Schaper and Barbara Smith Left, making the total of 37. Officers elected were: Beverly Van Zile, President: Gene Klppfenstein, Vice-President: Melba Schlatter, Secretary; and Lloyd Hall, Treasurer. This was the year we really started working toward our senior trip. We had a skating party, gave the class play, "Fighting Fishers," sold Christmas cards, sponsored a paper drive, and ran the school concession stand. The high light of the year was the Junior-Senior Banquet, which we gave in honor of the seniors.

We have finally reached the end of our high school days. We lost two members of the class--Mary Weber and Carolyn Hines, making our class numbering 35. Officers elected were: Ann Amstutz, President; Richard Buffenbarger, Vice-President: Phyllis Cameron, Secretary; and Lloyd Hall, Treasurer. Our class play, "The Inner Willy," was a big success. We also sponsored a scrap drive and a skating party. We chose red and gray as our class colors, with a red carnation for our flower, "Knowledge Comes But Wisdom Lingers" is our class motto. Everyone enjoyed a five-day trip to Washington and New York City, Which we never will forget.

OUR ANNOUNCEMENTS, NAME CARDS, AND JEWELRY WERE PURCHASED FROM
HERFF JONES COMPANY, INDIANAPOLIS, INDIANA

FIRST GRADERS - CLASS OF 1953



Class Will

Be it remembered that we, the Class of 1953, of Leo High School, Situated in the town of Leo in the County of Allen in the State of Indiana, being in our usual unsound state of mind and memory, but mindful of the uncertainty of this life, and our approaching dismemberment, do make, publish and declare this our last will and testament, hereby revoking all former wills by us made.

After the payment of all our just debts, funeral charges, grudges, and expenses of administration, we dispose of our estate as follows:

To the professors and teachers of Leo High School, we convey our ability to know a good thing when we see it. As this ability has been largely created by their instructions, we are merely returning to them their own invaluable gift.

To the Junior Class, we give our seats in the study hall, including our initials inscribed upon the desks, erasers, bobby pins, spitballs, pieces of chalk, and cuds of gum which we neglected to remove in the haste of our departure. May these small tokens help them to while away a year of senior learning as they have us.

To the Sophomore Class, we convey our power of saying the wrong thing in the right place, or the right thing in the wrong place. Just how this is accomplished we are not able to say. Each one will need to work the matter out for himself or herself. There is no doubt that much benefit will result from the effort.

To the Freshman class, we have nothing left to bequeath but a lot of good advice. Do not study too hard, for it will make you sick and unhealthy, and no future employer wants a sickly graduate. Laugh heartily at all your teachers' jokes even though you are hearing them for the hundredth time. Always carry a lot of books with you to and from school and classes but never look within their covers. The inside pages of your school books are laden with microbes from the contaminating use of former classes.

We, the Senior Class of '53 do hereby bequeath our numerous possessions thusly:

I, Ronald Shaw, do will my detective ability to the four Junior Bandits--Tom Ostermeier, Larry Schlatter, Ross Weilbaker, and Phil Howard.

I, Marjorie Bauman, will my ability of telling jokes to Wayne Dearinger and my dimples to anyone who doesn't have them.

I, Don Dean, will my ability to tear car motors apart without half trying to Lee Shaffer.

I, Colleen Schlatter, do will my A's in Spanish class to Wesley Christian.

I, Don Leichty, will my bashfulness to Art Ivins.

I, Ruth Fillman, will my ability to get along with all the high school teachers to the junior boys and to Wesley Christian my ability not to go steady my four years of high school.

I, Florence Liechty, will my ability to stay wide awake on Monday mornings to Carol Graber.

I, Dwight Graber, of unquestionable, sound mind do will all my disabilities to win arguments to Mr. Henny.

I, Juanita Kryder, will my ability to keep one boyfriend to Judy Moore.

I, Lloyd Hall, will my ability to get a girl and to keep going with her indefinitely to Donald Miller.

I, Don Rediger, will my long wavy hair to Al Linnemeier and my height to Alan Chaney. (Don't forget to duck for doors.)

I, Mona Gale Page, will my typing ability to Calvin Mills.

I, Arlene Kryder, will my ability to get a joke on Suzie Willits to Carole Bucher, (she usually bites) and my good conduct grade to Janice Grabill.

I, Richard Buffenbarger, do will my Gem Razor and used blades to Suzanne Willits. (Not to be used for legs.)

I, Beverly Roth, will my "good understanding" (feet) to Janice Delagrange, and to Whitey Heller my ability to "cheer me up."

I, Bill Hefty, hereby will my ability to be a good "keed" and the ability to "pin" my Grandmother two out of three times to Mike Hartigan.

I, Pauline Ragan, will my natural blond hair and my ability to stay away from men to Judy Moore.

I, Lois Trimble, will my ability to be last in lunch line to anybody who is not hungry,

I, Jake Emrick, of sound mind regardless of previous condition of servitude, aptitude, fortitude, or mental attitude, will to Mrs. Snider my expert pennmanship.

I, Donna Delagrange, will my position as Miss Sprunger's assistant librarian to a junior who can understand the Dewey Decimal System.

I, Phyllis Cameron, will my deeply hidden musical talent to my sister, Ruth.
I, Bob Schultz, do will my ability to sleep in study halls to Larry Schlatter.
I, Nancy Linnemeier, do will my ability to blush to Tom Ostermeier and Mr. Swaim.
I, Geneva Amstutz, will my quietness to Donald Miller.

I, Norma Chaney, will my ability to resist the desire to turn south on the Amstutz Road to "Shorty" Notestine.
We, Ann Amstutz and Beverly Van Zile, do will our fifth and sixth chair positions in the trombone section of the band and our ability to blow like boys to anyone who feels capable.
I, Carolyn Beck, will to Loretta Delagrange my ability to choose a sailor instead of a Marine. "Sailors are a lot better."
I, Rita Shelmadine, will my "devilish" brown eyes to Dorothy Schwartz.
I, Quentin Savage, will my ability to wiggle my ears to Sam Graber.
I, Janice Blume, will my broken off pencil points to whoever can make use of them in case of an emergency.

I AM A SALESMAN

I am a salesman:
My product is America:
Look, everyone, Look,
See the harvested grain from the
golden plains of the West,
See the fresh lumber from the
rich forests of the North,
See the colorful clothing from the
white cotton fields of the South,
See the giant industries from the
grinding steel mills of the East,
This is America--My country!

I am a salesman:
My product is America;
Listen, everyone, Listen,
Can you hear the vibrant call of freedom
echoing far across the blue horizon,
Can you hear the shrill whistle of the streamlined
diesel, traveling to and fro,
Can you hear the rushing, rumbling water
supplying us with a source of power unequaled,
Can you hear the voice of democracy saying,
"Rise up Patriot, Rise up, Defend your country:"
This is America--My country!

I am a salesman;
My product is America;
Learn, everyone, Learn,
Learn the heritage of our own country,
old and new;
Learn to know the men who made it famous-
men of strong heart, great minds, and ready hands;
Learn to appreciate what has been done
to make this the best, best one;
Learn to stand for what it means-
unexcelled by any team;
This is America--My country!

I am a salesman;
My product is America;
Love, everyone, Love,
Love your fellow men, care not whether
their skins are red or yellow, black or white;
Love your country for what it is-
torch of freedom, cradle of liberty;
Love your church for what it stands-
indispensable in any land;
Love the challenge, for in it lies,
the chance to win, to build, to rise;
In truth, this is America--My country!

Class Prophecy

Presenting "Candid Camera," television's favorite program bringing you on-the-spot pictures of the 1953 Leo graduates! This program comes to you through the facilities of station L-I-O-N-S.

The first part of our program is sponsored by Schlatter's Pet Shop. See MELBA for puppies and COLLEEN for guppies. The photography technician and lens cleaner for this telecast is GUS STEINER. Gus has really done quite well. Previously, he was noted for his outstanding work in photographing family reunions.

First our camera picks up DON LEICHTY and DON REDIGER who operate a fleet of shrimp boats from the Cedarfille Dam Project. Rediger's wife, the former MONA GALE PAGE, is seen adjusting the carburetor on her husband's automobile. Next door we see the Rainbow Skating Arena. And look, there is BILL HEFTY instructing a group of four-year-olds in the art of skating. We journey across the street where RUTH FILLMAN is manager of a tea room and graham cracker shoppe. And there is LOIS TRIMBLE, who is "all at sea" over a certain sailor. We bet she really has "gobs" to talk about. There visiting with Lois is Janice Blume who has won fame as the only woman auctioneer in the Middle West. Our camera now catches the public beach where ARLENE KRYDER is leisurely resting after a hard day's work. Arlene is head oiler on a Pennsylvania Railroad Locomotive. She finally bought that yellow Pontiac convertible and has bleached her hair to match the car. Look at those lovely yellow stteaks in her hair. Our camera now moves into the community church where the REVEREND DWIGHT GRABER is preparing his Sunday morning sermon. Up in the choir we see QUENTIN SAVAGE, Choirmaster, holding rehearsal for sixty young boy sopranos. And here entering the church is BEVERLY ROTH--uh, Mrs. Noel Grabill, who has just returned from India, where she and her husband have outfitted the Sacred Cows of Calcutta with turtle-neck sweaters. After leaving the church, we next catch the Rubber Band Factory, where ELEANOR SCHOWE and CAROLYN BECK are co-owners. The girls tell us that business has been on the stretch lately. Snap it up, girls! Next we journey to the Leo Lending Library where DONNA DELAGRANGE is busy sorting out comic books and "True Confessions" magazines. We focus our camera across the river where PAULINE RAGAN is happily polishing ball bearings in her husband's machine shop.

Now as a friendly reminder for those of you who desire the unusual in a fur coat, we ask that you see "Schlatter's for your Otters."

The second half of this program is sponsored by that prominent Wall Street tycoon, RICHARD "TOAD" BUFFENBARGER. Rich is the maker of a seven-cylinder sportscar which he calls the Toadmobile. In the supersonic gear, this car really hops. We now hop to Crab Apple, Tennessee, where ROBERT SCHULTZ is coach of the high school basketball team. His team plays a possessive game and features the slow break. They won their first game of the season 127-89. Our candid camera next takes us to Guatumala where RONNIE SHAW is operator and manager of a chicken farm. A native informed us that Shaw's "squaws" sell like hot cakes. The native added that the chickens even taste like hot cakes. Now back to Cedar Canyons. There is GENE KLOPFENSTEIN, a well-known big game hunter on an expedition to gather fossils for the incoming biology class. Next we flash you to FLORENCE LIECHTY who is known to be an outstanding girl athlete and recently signed as the only girl player in the International Hockey League.

The camera sneaks a look at RITA SHELMADINE, She has just broken off with another boy friend and has immediately signed a seven-year contract to sing at the Farmer's Institute Programs. Her perfect attendance in school helped her to land this job. As we pass a beautiful shack, our camera looks into a picture window and see PHYLLIS CAMERON listening to "City Hospital" on the radio. She is still trying to decide whether or not to be a nurse. Next door is a fireside scene of LLOYD and JUANITA, who are the proud parents of their third set of triplets. They have named their new arrivals Hewey, Dewey, and Lewey. Our camera moves across to the once new school building and here we find NANCY LINNEMEIER operating a training school for yell leaders. Her hair is now a flaming red. Nancy's college education was cut short when she eloped with a meat cutter after only four days on the campus. Also at the school is MARJORIE BAUMAN who has signed for a long-term contract as Chaperone for all fan busses from Leo School. A special bulletin has just been handed me! JAKE EMRICK has just been promoted to head pretzel twester at the Pretzel Factory. There is a man who is really wrapped up in his work. Now to Studio "B". We see a rehearsal of DON DEAN'S musical aggregation. The instrumentation includes 78 drums, 4 lawn mowers, two tubas, and a floor sander. BEVERLY VANZILE, also in Studio "B", is trying to out sound Don. She has perfected a moose call on her trombone that is quite effective. She demonstrated her technique at the recent Moose Convention; and several hundred moose came out of the Canadian woods, swam the Niagara Rapids, and put in an appearance at the convention hall.

Back to familiar territory. There is GENEVA and ANN AMSTUTZ entering their Lonely Hearts Club. Their slogan is:

"TRY OUR PLAN--GET A MAN"

One of the most frequent visitors to this club is NORMA CHANEY, who is still a hankerin' for Glenn Notestine. It seems that neither of them can stop giggling long enough to propose.

It again come time to cover the lense of "Candid Camera," the program that brings you the people in today's headlines. THIS IS "WHATTA" NETWORK!

CLASS HISTORY

In the fall of 1950, we entered Leo High School as another class of "green" freshmen. There were thirty-eight members enrolled. Among these were seven from St. Joe Center, Donna Greenfield from Jackson Township, Carmen Steininger from Auburn, and Amanda Graber from Milan Township. Class officers were elected as follows:

President ..... Phil Howard Secretary . . . Carol Graber
Vice-President ..... Hughie Witmer Treasurer. . . Suzie Willits

Two members of our class, Art Ivins and Wesley Christian, took part in the Farmer's Institute Talent Show. We gained Janeil Reasoner and lost three during the year, making the total thirty-six.

At the beginning of our sophomore year, we found we had gained Wayne Dearinger from Rushville, making the enrollment thirty-seven. At our first class meeting, class officers were elected as follows:

President ..... Phil Howard Secretary . . . Carol Graber
Vice-President ..... Hughie Witmer Treasurer. . . Suzie Willits

By this time we're finding our way around, and we had our first class party in the fall. It was held in Norman Bellinger's woods. We had a weiner roast and games were played later. In April we ordered our class rings and pins. Richard Hersha, Art Ivins, and Phil Howard took part in the Farmer's Institute Talent Show. We gained Martha De Vaux and lost five during the year, making thirty-three members. By now we all are looking forward to being juniors.

As big juniors we found we had lost Jerry Amstutz and Janeil Reasoner, who moved during the summer; but we had gained Joanne Beerbower making thirty-two members enrolled. On the first day of school we elected class officers:

President ..... Hughie Witmer Secretary . . . Carol Graber
Vice-President ..... Wayne Dearinger Treasurer. . . Suzie Willits

This year we finally feel that we are a main cog in the workings of the school. We have our class rings and pins, and we are trying to make money for our class trip next year. Among these many activities this year we have been selling candy at the noon hour, Christmas Cards, skating party, scrap drive, and last but not least, our class play.

The Junior-Senior Reception is the main social event of the year.

We have had lots of fun; we're looking forward to being seniors.

In September of 1951, forty-three "green" freshman students entered Leo High School. Nine of those students were from St. Joe Center.

Yes, we were "green" for awhile, but we soon knew our way around as well as the seniors.

Mr. Faye Hall was our class sponsor, and we elected the following class officers:

President . . . . . Neva Hoke
Vice-President . . . . . Mike Hartigan
Secretary . . . Janice Delagrange
Treasurer. . . Dorothy Schwartz

At the first of the year Larry Weikart came from North Side. Shirley Williams left us at the end of the year to attend school at New Haven.

We had two class parties in our freshman year. The first one was held at Mike Hartigan's and the second one at Marjorie Sauder's.

This year Mr. Swaim is our class sponsor. We have forty-four members in our class. Shelba Jean Yoder and Robert Beerbower are two new students in our class this year; they are from Harlan.

Our class officers this year are as follows:

President . . . . . Lynn Kimes
Vice-President. . . . . Jon Pontius
Secretary . . . Jean Bauman
Treasurer. . . Janice Delagrange

In November we gained Marilee Lichtsinn from New Haven and during the same month Walter Zhart left us to attend school at Huntington, which leaves the enrollment the same. We have several basketball players in our class of whom we are very proud. We also have several members participating in band and chorus.

We had one class party this year and it was held at Nancy Warstler's, and we are planning another one in the spring.

We are looking forward to a bigger junior year and an even bigger senior year.

CLASS HISTORY

The freshmen class started their year with a class enrollment of thirty-eight. At our class meeting we elected the following class officers:

President	Joan Van Horn	Secretary . . .	Douglas Graham
Vice-President	Nadean Linnemeier	Treasurer . .	Marcia Van Zile

The main social functions this year are the class parties. Our fall party was held October 10 at the home of Gordon Liechty. Another party is being planned for sometime this spring.

For "greenhorns," we feel our class has been quite active. Thus far we have four members in the school band, and three band hopefuls, four boys on the second team in basketball, with first team ambitions, and fifteen members in the school chorus.

We are proud of our class and hope to make a great success in our four years of high school.

Softball Coach

STAN GARMAN

STAN GARMAN came to Leo in January 1, 1943 and coached through the school year of 1948-49. Under his helm we won the county tourney in 1944 and 1945. Since that time he has been softball coach, basketball aide, and has devoted a great deal of his time to supervised play activities. He has organized the Little League and Pony League baseball for the boys during the summer months. He has encouraged many boys to spend their leisure time in a worth-while manner, and at the same time, shown them the fun they can have out of sports and being a sport.

Basketball Coach

WHITEY HELLER

WALDEMAR "WHITEY" HELLER coached the Leo Lions from 1949 to 1951. During this time he won a county tourney championship in 1950. Uncle Sam then called him into the United States Navy for the next year. Everyone was very glad to welcome him back for the 1952-53 season. Again he coached us to county tourney victory. He has also coached volleyball and girls' softball. We think that Whitey is a good coach, teacher, and sport with the idea of good sportsmanship in mind always.

LEO SENIORS CAPTURE LEO LION

Successful Hunting

Expedition Accomplished

LEO--Donald, the Dean, of the Lion Hunting School proudly announced today that his most expert crew of huntsmen have finally conquered the most challenging big game in existence, the Leo Lion.

We would like to express our deepest appreciation to Jake Emrick and also to Whitey Heller whose fullest cooperation made this feat possible. Jake kindly consented for the group to use his barn as the target for the target practice. Whitey Heller also became so enthusiastic over the hunting classes that he gave the hunters valuable lessons on trapping. Whitey is very experienced because he has been running his own private mouse-trap-line in the regions covering the shop and lunch room of Leo.

The hunting party started out one bright gloomy morning in search of the Leo Lion. After going a little way, they decided to send out some scouting parties. Schultz, the Slooth, ventured to the left while Buffie headed for the right. It was agreed that they should meet in one half an hour. Schultz, the Slooth, appeared promptly and reported that he had sighted large Lion tracks by the Saint Joe River. The men waited in vain for Buffenbarger, the Scout, to return. It was finally decided that Buffie has strayed too far and had found that hunting a certain red-head was more intriguing than hunting lions. They thought of sending Gus Steiner out scouting also but they knew that such a handsome man wouldn't stand a chance of returning.

With Schultz in the lead and Hefty bringing up the rear, the group headed for the area where lion tracks had been sighted. As the group slowly crept forward, they were startled by the beat of tom-toms. They parted the tall grass and peaked through.

LION BAIT

There was Quentin, The Savage, dancing around a grass hut.

Inside the hut sat Ronnie Shaw beating out inspiring rhythms on the tom-tom. Lloyd Hall and Dwight Graber were so interested in this spectacle that they wanted to stay and watch the ceremony. Gen Klopfenstein, however, produced enough arguments to get the expedition moving again. After tramping a little way, they heard the mighty Lion roar. They stopped! Don Leichty immediately took command of the situation. He ordered Don Rediger to come forth with the Ready Gear. Rediger immediately dashed forward with a Government book, a toothpick box, tweezers, and a pair of binoculars.

They placed the Government book open on the path and waited, hidden behind a corn stalk. The lion came slowly lumbering up the path. When he came to the Government book, he stopped and read a paragraph. He found the contents so dull that he fell asleep on the spot. It was then that the brave Don Leichty took the binoculars from their case and looked through the wrong end. This made the Leo Lion as small as an ant. The hunters picked up the lion with the tweezers and put him in the toothpick box.

We would now like to offer our hearty congratulations to this expert hunting party of Senior men for their ingenuity and originality in capturing this great beast.

The clock of life is wound but once.
And no man hath the power
To say just when the hands will stop
At late or early hour.
Now, only, is the time thine own
To live and love and toil with a will.
Put no faith in tomorrow
For the clock may then be . . . . . still.

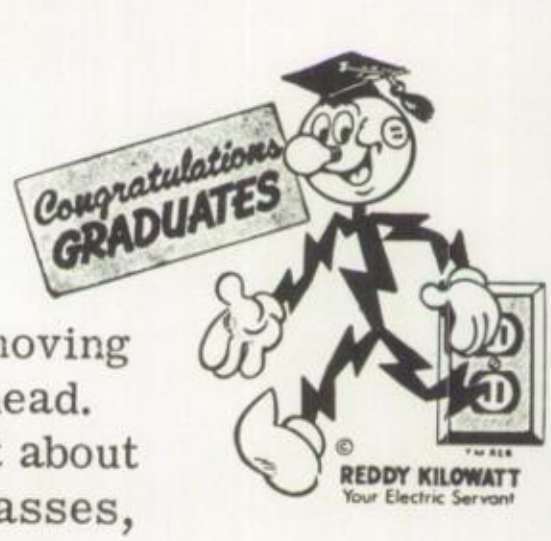
REDDY SALUTES YOU SENIORS
. . . . . and adds a thought or two.



"Congratulations, you graduates. You're moving up in the world. So, good luck in what ever's ahead.

"But say, before you leave, let's think a bit about the past few years. How about those favorite classes, friends and all the fun. Hasn't it been great.

"And you know what. It could only happen here. Yes, free, fine education is part of the good ole U. S. A.

"Don't forget it when you've become a solid citizen with a family and all. 'Cause you'll need to remember . . . . . to beat the guys who'll want a change.
